4.6 Superintendent Report

Alview 194; Dairyland 217 Total District: 411

- Williams items are almost complete. The textbooks that were back-ordered arrived -- packing slips were provided for documentation. A copy of the PO was also submitted for two TK tables. The final item is tonight's textbook sufficiency resolution. Once approved the signed copy will be submitted—that is the last item for completion. A MCSOS representative will be attending our November board meeting to review the final report.
- We had a campaign assembly on Friday for student body offices—Mrs. Goncalves is now taking over student council.
- Sports schedules are being finalized—parent volunteers will be coaching. We do know that our first game will be 9/24 vs. El Nido at home.
- Mrs. Steiner held a 6th grade camp meeting last night—students are scheduled to attend Camp Green Meadows 10/6-10/10.

- RESULTS testing wrapped up last week; we have intervention groups established now at both campuses.
- We met with teachers individually two weeks ago to review their test score growth and discuss performance from SBAC data.
- Starting today, we have a new lunch procedure at Dairyland. Students present a bar-coded card to teachers to scan. This process will eliminate the need for the cafeteria to be silent as students walk through the line with their trays.
- We have learned that we will have a cafeteria review this year. Some documentation will be submitted prior to site visits—those in-person reviews will take place early in 2026. Our staff had two virtual training sessions Monday and Tuesday mornings.
- STEM starts this week at Alview. STEM GATE started yesterday at Dairyland.
- Our After-School program is going strong with over 20 students on the waiting list. We are going to meet later this week to review the first month of attendance and decide if some students who aren't attending can be removed to allow for more space.
