Reis and Kelsey attended the MCSBA meeting on August 27th. They were very impressed with the LEAF facility. Trudie received a letter from MCSOS that our LCAP has been approved. Kelsey noticed that Chowchilla High School has Implemented the ActVnet program. Tom reported that Loren York is recovering from a viral infection and is on his way home. Kelsey said that they cooked and served 440 hot dogs. The BBQ was very well attended and went well. The Chowchilla Fair dates have been moved back to the 3rd week in May.

4.4 Superintendent Report

Enrollment: 409; Alview 189, Dairyland 220

1. Alview Shade Structure Update: The topographic survey is complete and the fire marshal approved the site plans. The only additional item is a Knox Lock for the gate; once it arrives and is installed, the site plans will be approved at DSA.
2. We purchased a sand separator for the Dairyland well. Our maintenance staff brought it to the campus last week; we will get 2-3 quotes on installation.
3. The CA State Waterboards has informed us that the new Dairyland well grant has been placed on an inactive status since our drinking water is not an immediate public health threat. It will be reviewed again in July of 2025. The representative from State Waterboards outlined the process for reactivation if conditions change.
4. The first three weeks of school have gone very well; students are adjusting well and the District is accommodating our new group of EL students at both campuses.
5. We met with Schneider Electric yesterday to review the Resource Advisor program. It appears to be the tool that we need to monitor our solar production and usage. Even though they didn't install it, Schneider has agreed to include Alview's solar information in the program.
6. For the Dairyland solar structure, we don't have a consistent recollection of Schneider's response to the gaps in the panels. Our contact at Schneider said that gap fillers were not part of the original contract but he could refer us to a source that

could add them at a later time. He said that he would provide more information if we are interested in pursuing that option.

7. We started the attendance incentive programs at Alview two weeks ago; we'll be starting at Dairyland next Monday...we're changing the Dairyland program to include other incentives like first out to recess, crazy hat/sunglass day, etc.
8. Our 4-6 grade teachers are going to start a 7-week math professional development course on Wednesdays from 4:00 to 6:00 . MCSOS is sponsoring the training provided by Curriculum Associates; it will be held at Fairmead School; our entire team will be attending.
