School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard
The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 8, 2020

Alview-Dairyland Union School District held a public hearing on September 8, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. Core subject textbooks and instructional materials are provided for each student, including English learners. Standards-aligned texts and materials are reserved both for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. In addition to textbooks, all students have a school issued computer and if needed, a hotspot to provide connectivity for distance learning access.

School Facility Conditions and Planned Improvements

Alview Elementary School was originally constructed in 1962 and is comprised of eight classrooms, multipurpose room, library/STEM building, and a playground. The school recently resurfaced the old parking lot, painted the buildings exterior, and added a new portable library/STEM building. Facility information is current as of December 2020.

Cleaning Process:
The Director of Operations works daily with the custodial staff to maintain the cleanliness and safety of the school. The district governing board has adopted cleaning standards for all schools in the district. Due to COVID-19 protocols, new procedures were implemented in the fall of 2020 to disinfect classrooms, restroom and play equipment at specific intervals throughout the day. A summary of these standards and protocols is available at the district office for review.

Maintenance and Repair:
District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. At the time of publication 100% of restrooms were in working condition.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. There are no major deficiencies at this site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The parents of Alview Elementary School students support their children, the school, and the community by helping them at home with their schoolwork, providing a caring environment, and by attending conferences, programs, and athletic and academic events. Many parent volunteers serve as classroom helpers, chaperones for field trips, fund-raisers, and organizers. Parents serve on committees such as the School Site Council (SSC), District English Language Advisory Committee (DELAC), and LCAP Advisory Committee. The Parent Teacher Club provides funds and support for academic incentives and programs for the school and students.

Alview Elementary School also benefits from partnerships with the following local organizations: Lions and Rotary Clubs.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	.5	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Alview Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials, state earthquake standards, pandemic protocols, etc. The School Site Safety plan was last reviewed and updated in August 2020 by the school faculty. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year. For 2020-21, a COVID Prevention Program and Safe Reopening Plan were added.

Students are supervised before and after school, during lunch, and break periods. The school provides two-way radios to enable those who are supervising students to maintain communication. There is a designated area for student drop off and pick up. Visitors must sign in when entering the campus. Students coming and going during the school day must be signed in and out. Security cameras are around the perimeter of the school and one is in the cafeteria for student and facility safety.
